

Dear Jessie,

My name is Ruth and I am in 10th grade at the Hand in Hand Jerusalem school. I have heard about all that you are doing to raise money for Hand in Hand, and I can't tell you how impressed I am.

I believe our schools are special and so is the fact that both Arabs and Jews can and like to study together. That it is possible and normal for us. We learn to love people for who they are more than where they come from or what religion they believe in.

The rest of the country and the world need to know that we can live and learn together in peace and our school broadcasts this fact every day.

Your help and support are very important to us and I would like to thank you for your dedication and efforts. We all admire what you are doing and hope that one day you will have a chance to come to Israel and see for yourself how we try to make a change.

Thank you again for your generous support.

Sincerely,

Ruth Moor
